**PERSONAL AUTO POLICY
RENTAL REIMBURSEMENT COVERAGE**

This Rental Endorsement forms part of policy number _____.

This endorsement is attached to a **Declarations** sheet. The endorsement is effective as of the date and time of the **Declarations** sheet to which it is attached.

This coverage only applies to **your insured car** for which a premium charge is shown in the **Declarations** and then only to the limits of liability shown in the **Declarations** for Rental Reimbursement Coverage.

The provisions and exclusions that apply to Coverage C also apply to this endorsement.

When there is a loss to one of your insured cars described in the Declarations for which a specific premium charge and amount of coverage shown and afforded, we will reimburse you for the expenses you incur to rent a substitute auto.

This coverage applies only if:

1. The loss is caused by Collision, or covered under Coverage C of this policy; and
2. The auto is withdrawn from use for more than 24 hours.

However, this coverage does not apply when there is a total theft of the auto.

Our payment will be limited to that period of time reasonably required to repair or replace the auto. The applicable limits are shown in the **Declarations**.

This coverage is only available if you purchase **Other Than Collision** and **Collision Coverages**. If you delete either **Other Than Collision** or **Collision Coverage** or both, Rental Reimbursement Coverage will also be deleted.

This endorsement is part of your policy. It supercedes and controls anything to the contrary. It is otherwise subject to all other terms of the policy.
